

USED EQUIPMENT

Our used equipment sales representatives can assist you in selecting the right machine from our inventory. Many of our low hour, late model CAT® machines are from our own rental fleets, where they are maintained by trained technicians. We also carry some competitive lines.

Whether you are right around the corner or around the world, our representative can coordinate the delivery of your used equipment purchase right to your doorstep.

To search our large inventory of used equipment, visit www.kellytractor.com and click on the “New/Used Equipment” button on left center of the Home Page.

The site is updated daily so you'll see the very latest in available inventory.

We also feature the following equipment for sale (based on availability): Agricultural tractors, agricultural irrigation systems, grooming and pasture mowers, tillers, air compressors, air tools, breakers, generators, rammers, vibratory plates, cranes, forklifts, pasture renovators, equipment trailers and a large variety of attachments.

For more information, please contact the used equipment sales department at (305) 592-0556 or e-mail us at ktccat@kellytractor.com

PRODUCT SUPPORT / PARTS

Parts

Our parts availability is one of the reasons the products we represent offer a greater value to our customers. Kelly Tractor Co. inventories over 45,000 line items and provides at least 84% parts availability off the shelf. This inventory includes complete engines, transmissions and other major components. In addition, we stock parts for most major brands of lift trucks.
